applications received.

PG 22. Provide \$50,000 PR in 2001-02 for a special counselor grant program. Create an annual appropriation under the Department of Public Instruction (DPI) for this purpose with reversion of unencumbered balance provisions consistent with other tribal gaming revenue appropriations. Require the Department to award grants to entities that serve or border on a reservation, including school boards, boards of control of cooperative educational service agencies, or consortia consisting of at least two educational agencies, or an educational organization. These grants could be used for the cost of employing special counselors to help American Indian pupils adjust to their school districts. Reduce funding for general school aids by \$16,700 GPR in 2001-02 in order to adjust two-thirds funding of partial school revenues.

JTK? 23. Provide \$250,000 PR in each year of the biennium to the Department of Administration to fund programs at the UW-Green Bay which have been jointly developed by the Oneida Tribe and the UW-Green Bay.

MJL 24. Provide \$15,000 PR in 2001-02 to the State Historical Society to fund costs related to identifying unmarked American Indian gravesites at the Power's Bluff County Park in Wood County.

MJL 25. Provide \$25,000 PR in 2001-02 to the State Historical Society to provide funding to the Merrill Historical Society for the publication of a native tribal history of the upper Wisconsin river valley.

DAK/ISR 26. Provide \$250,000 PR annually to fund minority health programs. Specify that this funding would include: (a) a grant of up to \$50,000 PR annually for a private nonprofit corporation to conduct a public information campaign on minority health; and (b) \$200,000 PR annually for grants of up to \$50,000 for minority health programs. Modify the grant program to require recipients to provide a match, which may be provided as in-kind services, totaling at least 50% of the amount of the grant awarded by the state. In addition, provide that organizations that are not federally qualified health centers would receive priority for grants.

DAK/ISR 27. Delete \$250,000 PR annually and eliminate the compulsive gambling awareness campaign grant program administered by the Department of Health and Family Services.

ISR 28. Provide \$100,000 PR annually to the Department of Veterans Affairs to fund operational costs related to the Wisconsin Veterans Museum and create a new appropriation for this purpose funded from tribal gaming revenues. Delete \$100,000 SEG annually for the operation of Wisconsin Veterans Museum.

Note:

[Change to Bill: -\$1,913,600 PR and -\$16,700 GPR and -\$200,000 SEG]

Subject: RE: Tribal Gaming Moneys

For those of you who are creating new appropriations for Indian gaming moneys: The moneys should revert back to s. 20.505 (8) (hm) at the end of the fiscal year for annual appropriations and at the end of the biennium for biennial appropriations. (see sections 421 and 451 of the budget bill for examples)

Also, when you add a subdivision paragraph to s. 20.505 (8) (hm), please use a number between 1. and 19. This will make reconciliation much easier.

OK, I think that's it.

Thanks,

Ivy

Tony Mason:

This redraft tightens the wording of proposed s. 36.11 (43) in response to a comment by Peter Dykman that the /1 draft appeared to require consultation with the Oneida Tribe for all programming at the UW-Green Bay. Under this draft, the board of regents is only required to provide programming at the UW-Green Bay that is jointly developed between the tribe and the UW-Green Bay.
